

# HOW TO IMPROVE YOUR ASSIGNMENT SUBMISSIONS

## LEARNING FROM MISTAKES

Discover Your Potential

First Year Experience

# Step 1: Understanding Your Assignment Requirements

First thing first, read the assignment instructions **carefully**.

In case you faced any difficulties reach out to your **Mentor/FYE TA** to help you understand the assignment

Pay attention to the **deadline** by which you need to submit the assignment

## Excel Sheet 1: Schedule Planner (20 points)

### **Purpose:**

To help you reflect on how you manage your time through academic, personal, and social activities.

### **Instructions:**

1. **Fill in your daily schedule** using the drop-down menus for each time slot (8:00 AM to 11:00 PM).
2. Choose from the following activity types:  
*Class, Study, Rest, Social, Meals, Exercise, Commuting, Chores, Screen Time, Leisure, Other*
3. The **summary table** will automatically calculate:
  - Total hours spent on each activity.
  - The most time-consuming activity.
4. A **3D pie chart** will visually show how your time is distributed.

### **Important:**

Do not delete or overwrite formulas or drop-downs. They are essential for accurate tracking and analysis.

## Excel Sheet 2: Spending Tracker (20 points)

### **Purpose:**

To help you understand your spending habits and distinguish between necessary and unnecessary expenses.

### **Instructions:**

1. Log your expenses from October 21st to October 25th.
2. For each entry:
  - Choose the Date
  - Choose the Category (e.g., Food & Dining, Transportation, etc.)
  - Name the item
  - Write the amount spent
  - Choose the Payment Method
  - Choose whether it was **Necessary** or **Unnecessary**
3. The **Spending Summary** and **Analysis** sections will auto-update to show:
  - Total and average spending
  - Spending by category
  - Highest spending category
  - Potential savings
  - Suggested savings goal

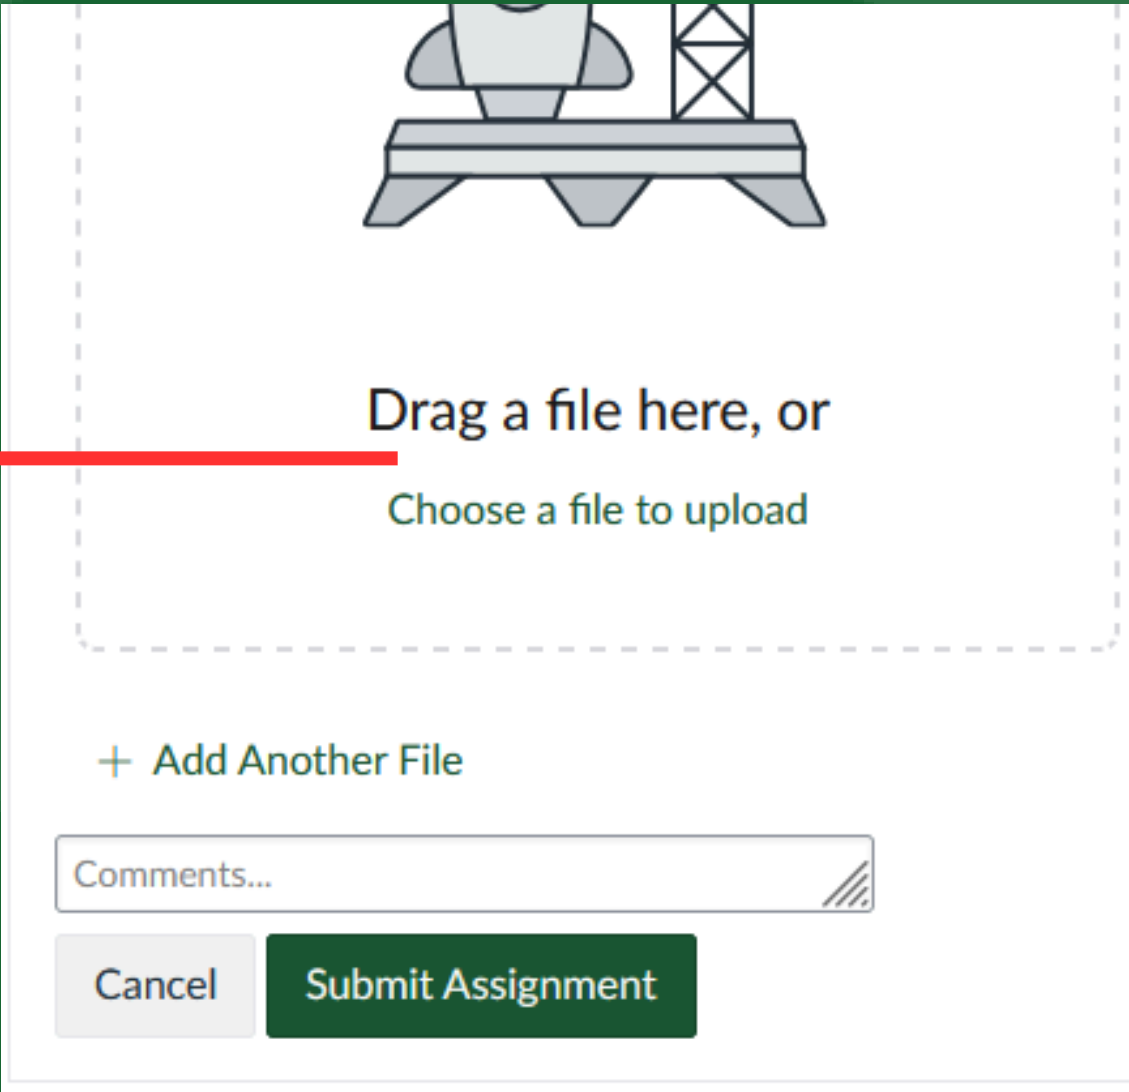

### **Important:**

Do not delete or overwrite formulas or drop-downs. They are designed to help you reflect on your financial decisions.

# Step 2: Assignment submission

All documents required for the assignment **must** be submitted together in a single attempt

**STEP 1:**  
choose files

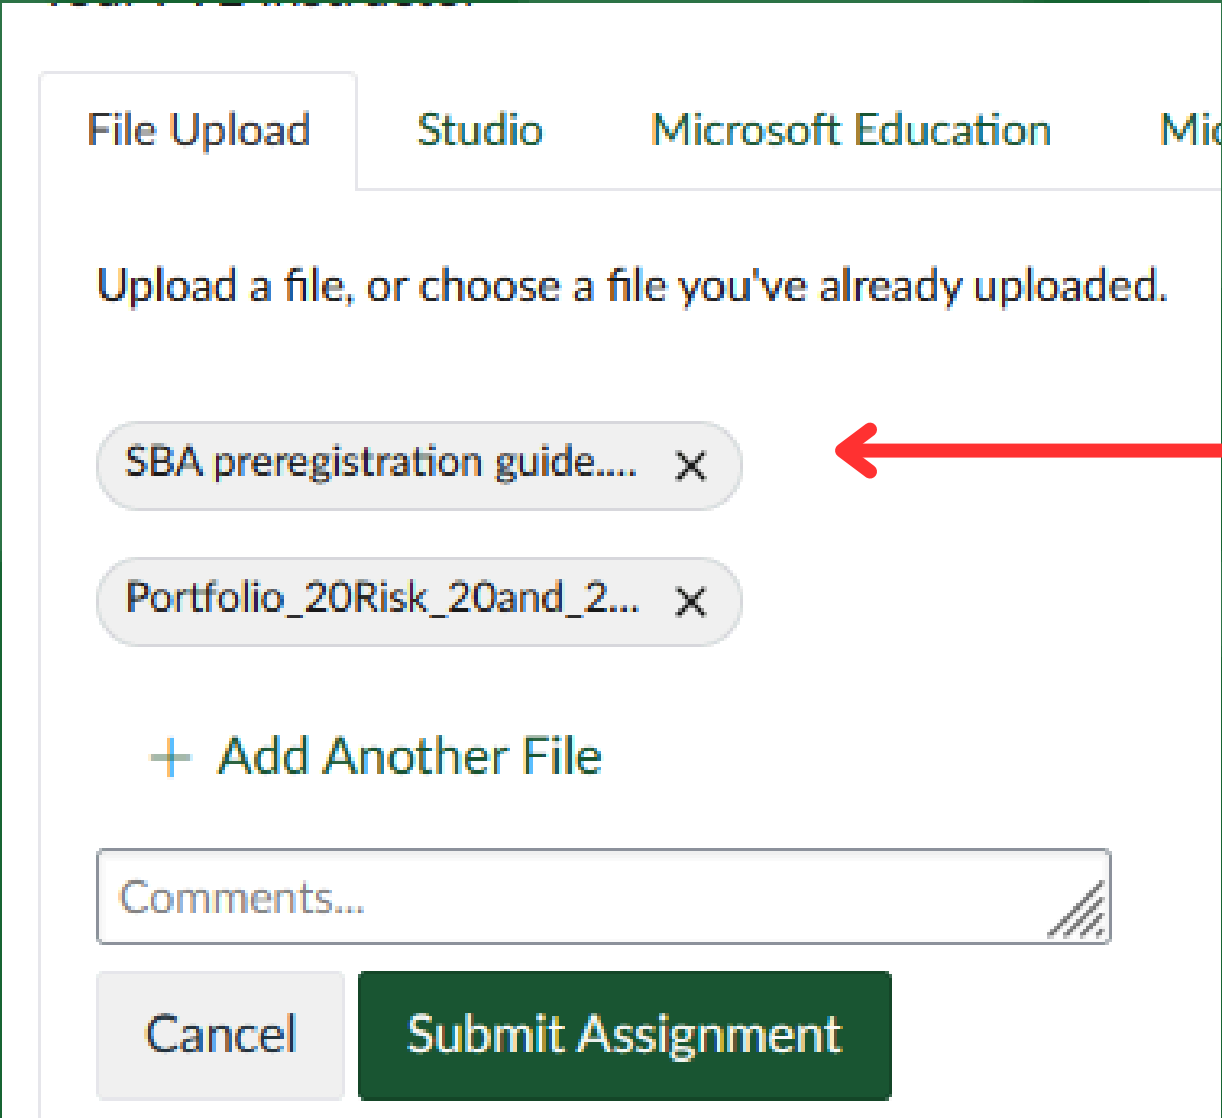

Drag a file here, or  
Choose a file to upload

+ Add Another File

Our AI writing assessment is designed to help educators identify text that may have been prepared by a generative AI tool. Our AI writing assessment is not perfect and may produce false negative results, so it should not be used as the sole basis for determining whether any academic misconduct has occurred. It takes further scrutiny and human judgment to determine whether any academic misconduct has occurred.

The pervasive presence of social media platforms in contemporary society has fundamentally altered the dynamics of human interaction and communication. From the proliferation of Facebook to the rise of Instagram influencers, social media has become an integral aspect of daily life for billions worldwide. However, amid the convenience and connectivity afforded by these platforms lies a nuanced relationship with mental health that warrants deeper exploration. This essay embarks on a comprehensive journey to dissect the multifaceted impact of social media on mental well-being, delving into its intricate layers and divergent effects.

Despite the myriad challenges posed by social media, it is essential to acknowledge its potential for positive impact on mental health when utilized mindfully. Online support groups and communities offer invaluable resources and solidarity for individuals facing mental health challenges, providing a sense of belonging and understanding in times of need. Additionally, social media platforms serve as powerful tools for raising awareness about mental health issues and reducing stigma through advocacy efforts and storytelling.

To mitigate the negative effects of social media on mental health, individuals can adopt proactive strategies to cultivate a healthy relationship with these platforms. Setting boundaries around social
